**LOCAL NEWS.**

S. K. DAVIDSON, Dentist, is permanently located at Hickman. Those wishing Dental Work, may call, will be well served. Office on Main Street, at BALTZER & SHAW's.

Parties of this country visited Friday last by a violent hurricane, blowing down many houses, trees, wrecks, boats, &c. There was no damage at Hickman or immediate vicinity. The first party struck the fortuitous Mrs. Clark and Mr. S. J. Nomar, who were staying at a house down river, about a mile from the mouth of Metcalf's creek, the mill being blown down, and the two trestles destroyed by fire; at least one house was destroyed, and a few others damaged.

Farmers are busily engaged in plowing corn, breaking ground and clearing up fence corners.

**BURLINGAME.**  
—Agricultural implement agents are abroad in the land. It is unnecessary to state that introducing new articles into the market makes it safer and more pleasant to deal exclusively with home merchants for those useful articles.

—The weather in this section, at present, is simply snug nilleant. In many places it has rendered upward of a foot in height, and is made of rich, green color indicative of thriving vegetation. This is strong evidence that a mild winter is always destructive to the soil.

—Mr. Wiley Sams, who was injured in last Friday's cyclone, died on Monday, from injuries then received. One of Mr. Sams' children, a boy, 14, is not known exactly in what way Mr. Sams received the injuries that resulted fatally, but it is supposed that he was from the dying and falling debris.

But the owners wished its patrons to reap the just reward of merit, and their identification with trade, traffic items of such weight. Therefore it is, that the name of three characteristics, which this house does speak, in the public's though-
